

Mr Amol Titus (left) received a Milestone Achievement Award related to Youth Development from Ambassador Rudrendra Tandon, Head Indian Mission to ASEAN in recognition of his teaching, skills development and mentoring guidance provided to over 10,000 Indonesian youth. The award was presented during the Best of India KNITE (Knowledge-IT-Engineering) 2019 seminar and exhibition held in Bintaro that focused on upskilling Indonesian graduates with competencies crucial for success in integrated ASEAN markets.

Mr Amol Titus who is a senior strategic advisor, educationist and writer based in Jakarta, has conducted a variety of education focused youth development programs at over 40 Universities and Institutes in the past 10 years. These non-profit capacity building programs have imparted knowledge, skills and competencies related to Sustainability, Inclusive Development, Organizational Transformation & Leadership, Environment Social Governance, Bilateral Relations, Cultural Understanding and Contemporary Literature among others.

Mr Amol Titus has pioneered several education focussed youth development programs including Young Leaders for Eco Cities, mentoringWISE, serviceWISE, Best of Indonesia CREATE (Creative Industries-Tourism-E Commerce), Best of India KNITE (Knowledge-IT-Engineering) and others that have helped upgrade skills and competencies and enabled educational institutes to connect with industry. He has received several awards from reputed Universities in Indonesia and is the first Indian to have achieved such widespread coverage and recognition.
